Sir:

The Examiner is respectfully requested to consider the additional references, listed on the attached Patent and Trademark Office form PTO/SB/08a, which may qualify as prior art. Copies of foreign patents and non-patent literature documents are enclosed.

References known to the applicants have been listed on PTO/SB/08a. That information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO/SB/08a is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to deposit account no. 07-1969.

Respectfully submitted,

Tamala R. Jonas
